Product index

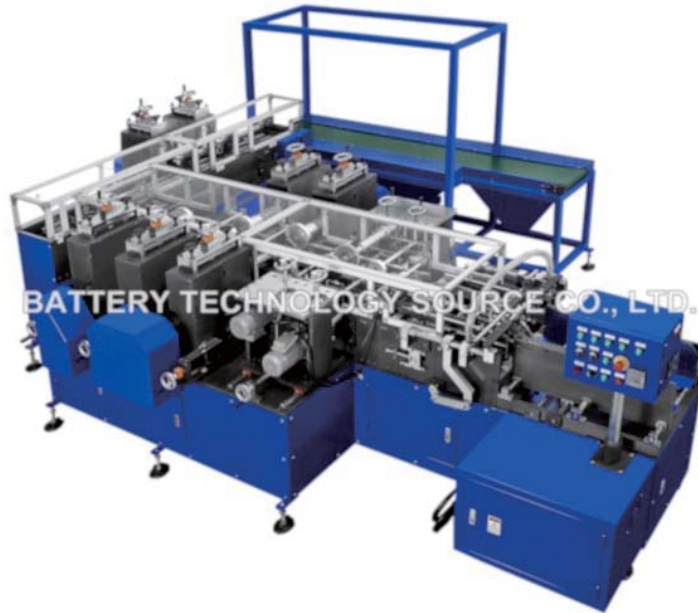

Plate manufacturing machines

BGC-10C
Automatic grid casting machine

BPP-10ACM
Automatic plate pasting machine

BPBS-8AMS
Automatic plate cutting and lug brushing machine

FDO-10
Horizontal flash drying oven

BIGO-10
Inert gas oven for negative plates

BFB-40AM
Fully automatic 4 side frame brushing machine

BFB-10AM
Semi-automatic 3 side frame brushing machine

BSB-3S
Automatic lug brushing and plate slitting machine

GPC-30AC
Fully automatic plate cutting machine

GPC-20AC
Fully automatic plate cutting machine

PS-40AM
Automatic lug brushing machine

BPD-10AM
Automatic hole punching and dumping machine

BPD-10AC
Automatic hole punching and dumping machine

HP-10M
Manual motorcycle battery hole punching machine

HP-10C
Manual car battery hole punching machine

PCS-20ACH
Automatic small lead parts casting machine

PCS-20H
Semi-auto. small lead parts casting machine (hydraulic)

PE-20AM
Fully automatic PE separator enveloping machine

PE-20AC
Fully automatic PE separator enveloping machine

HEP-10AC
Automatic PE separator wrapping machine

VGM-20M
Semi-automatic AGM separator wrapping machine

Also available:

BPBS-90AMGS
Automatic plate cutting and lug brushing machine

BPBS-30AC
Automatic plate cutting and lug brushing machine

PCS-20P
Semiautomatic small lead parts casting machine (pneumatic)

PCLT-20AH
Automatic terminal leak tester machine

VGM-10AC
Automatic AGM separator wrapping machine

Motorcycle battery assembly line

HY-10AM
Motorized rolling conveyor

HV-50AM
Auto. polarity/S-C test, ICW
and IR test machine

HV-60AM
Automatic polarity/short-circuit test, inter-cell welding and
internal resistance test (weld quality check) machine

HPVT-10AM
Automatic polarity and short-
circuit test machine

HVT-10AM
Automatic short-circuit test
machine

HV-20M
Semi-automatic inter-cell
welding machine

IRT-10AM
Automatic internal resistance
test machine

SRT-20AM
Automatic shear test and IR
test machine

BD-10AM
Automatic battery dumping
machine

HPVT-10AM (CCD)
Automatic polarity and short-circuit test machine

HM-10AM
Automatic heat-sealing machine

TIG-10AM
Automatic TIG welding machine

ATC-30AM
Automatic leak test and coding machine

AT-20AM
Automatic top cover leak test machine

AT-10AM
Automatic leak test machine

AC-10AM
Automatic code engraving machine

AHS-20AM
Automatic aluminum foil top
and side sealing machine

BSP-10AM
Automatic screen printing and
container rotating machine

Also available:

IRT-20AM
Semiautomatic short-circuit
and IR test machine

ATC-20AM
Automatic leak testing and
coding machine

AHS-40AM
Automatic aluminum foil top
and side sealing machine

Car battery assembly line

HY-10AC
Motorized rolling conveyor

HPVRT-40AC
Automatic short-circuit test, inter-cell welding, short-circuit test and weld quality check (internal resistance test) machine

HPVT-60AC
Automatic polarity/S-C test, ICW and S-C test machine

HPVT-40AC
Automatic polarity/S-C test, ICW and IR test machine

IRV-20AC
Automatic S-C test and internal resistance test

IRT-10AC
Automatic internal resistance test machine

HPVT-10AC1
Polarity and short circuit test machine

HV-20AC
Automatic inter-cell welding machine

HV-10AC
Automatic inter-cell welding machine

IRT-10AC
Automatic internal resistance
test machine

HM-20AC
Automatic heat sealing
machine

HM-10AC
Automatic heat sealing
machine

TPB-20AC
Automatic pole burning
machine

TPB-10AC
Automatic pole burning
machine

HM-10C
Semi-automatic heat sealing
machine

TIG-20AC
Automatic pole height adjustment and TIG welding machine

ATC-30AC
Automatic leak test and
coding machine

AT-20AC
Automatic leak test machine

AT-10AC
Automatic leak test machine

AC-10AC
Automatic code engraving machine

AH-20AC
Automatic foil sealing machine

AT-10C
Semiautomatic leak test machine

Also available:

HPV-50AC
Automatic polarity/S-C test,
ICW and IR test machine

HVT-100C-1
Semi-automatic short-circuit test
machine

IRV-20C
Semiautomatic short-circuit
and IR test machine

ST-30AC
Automatic shear test machine

AHB-30AC
Automatic aluminum foil
sealing machine

AHB-20AC
Automatic aluminum foil
sealing machine

AH-10C
Semiautomatic aluminum foil
sealing machine

Acid filling and finishing line

AF-40AMS
Automatic acid filling machine

AF-40MS
Semi-automatic acid filling machine

AFT-50AC
Automatic acid filling, leveling and leak testing machine

AF-30MS
Semi-automatic acid filling machine

BCM-AF20AC
Automatic acid filling machine

BCM-AFL20AC
Automatic acid leveling machine

BCM-AF10AC
Automatic acid filling machine

BCM-AFL10AC
Automatic acid leveling machine

HAF-10AB
Acid bottle filling machine

HM-10AMS
Automatic top cover heat sealing machine

HM-10MS
Semiautomatic top cover heat sealing machine

HM-10ACS
Automatic secondary cover heat sealing machine

HM-10CS
Semiautomatic top cover heat sealing machine

BCP-10ACS
Automatic top cover pressing machine

LT-10M
Semiautomatic vent strip leak test machine

ATS-10C
Semiautomatic top cover leak test machine

PB-20AC
Automatic post brushing machine

BL-20AC
Automatic battery labeling machine

BWD-10AC
Automatic battery washing machine

Also available:

AT-10ACS
Automatic top cover leak test machine

Charging and formation equipment

BTS-NCC200/350S
Battery charger with
microcomputer control

NTCCDR-300/200
Multi-function battery charger

NT6CCDR20/50
Multi-function charger and
discharger

NTFCCR-150/700
Automatic charger (10 circuits)

NT10CCD-300/3
Multi-function charger and
discharger

BTS-10C-300/1
Automatic charger (10 circuits)

NT6CCDR300/50
Multi-function charger and
discharger

NT2CCDR300/50
Multi-function charger and
discharger

Laboratory and testing equipment

HVT-100
Portable short circuit tester

VS-560M
Reactive type vibration tester

BATTERY TECHNOLOGY SOURCE CO., LTD.

VS-600VH
Electrodynamic vibration testing system

BTS-LT403T
Low temperature box

NTHDR20-2000
Multi-function discharge
tester

BHRD-1000A-AC
Automatic battery high rate
inspection machine

NTCDR230/80 BP-16CH-5C
Capacity testing system

BHRD-300RDS(AM)
Microcomputer controlled
battery inspection machine

Other equipment and battery parts

BATTERY TECHNOLOGY SOURCE CO., LTD.

FP-005
HD type plate filter

BATTERY TECHNOLOGY SOURCE CO., LTD.

BSP-10AM
Screen printing machine

CHNOLOGY SOURCE

BV-10M
Ultrasonic welder

WSV-1521, 1821
Automatic vertical wrapping machines

BATTERY TECHNOLOGY SOURCE CO., LTD.

Plastic injection mold

BATTERY TECHNOLOGY SOURCE CO., LTD.

Pallet scissor table

BATTERY TECHNOLOGY SOURCE CO., LTD.

Car and motorcycle battery container set

BATTERY TECHNOLOGY SOURCE CO., LTD.

Glass fiber separator

BATTERY TECHNOLOGY SOURCE CO., LTD.

Battery terminal bolts and nuts
